From Hartville Democrat

G. C. Murrell, B. E. Latimer, T. S. Johnson and E. B. Archer spent Saturday in Springfield studying plans for a new school building and consulting architects.

Willie Reavers recently returned from overseas, spent part of this week visiting old friends here and near Odin.

Wayne Box, recently returned from overseas, is here visiting his sister, Mrs. Jesse Findley. Wayne was shipwrecked on his journey across the sea and wounded at the battle front.

J. B. Walling near New Grove lost a cow by lightning Tuesday evening. He had just finished milking the cow and was milking the one by her side. He was only slightly stunned but his wife some distance away and standing in the door of their home was stunned and her hands burned.

The twelve year old son of Marve Frust, who lives near the old Steele mill met with a painful and serious accident Monday. He found a dynamite cap and was picking it out with a nail when it exploded. His left hand was injured to the extent that the thumb and all the fingers except the little finger had to be amputated and the right hand so badly lacerated and bruised that some fingers may be lost.

HORSE COLIC.

is apt to come at any time. If your horse does not get relief he soon dies. Take no chances. Get FARRIS' COLIC REMEDY today. No trouble or drenching. A child can give it. H. M. Norcross Adv.

Naming The Farm.

You should name your farm—it is a good farm or a farm that you are going to make better.

If you will write to the Missouri State Board of Agriculture at Jefferson City, they will send you free a bulletin on "Farm Names," suggesting a long list of popular farm names used in other counties, and explaining how to register your farm name so no one else in your county can use the name.

Name your farm. Register your farm names. Have letterheads, note-books and envelopes printed at the mirror office. This bulletin shows forms suitable for farm stationery.

Farming is the best business of the age, and the good farmer should show himself a business man by the appearance of his stationery.

To Prevent Belching.

Make a regular habit of eating slowly, masticate your food thoroughly, and you will have no further trouble. If you should, take one of Chamberlain's tablets immediately after eating supper. Adv.

DO YOUR BIT.

Easy to buy, convenient to handle, no red tape—get a War Savings Stamp today.

In arranging for our advertising for this summer, we have greatly extended our list of country papers. Our experience is that in years past we have received quicker and greater returns from advertising in the county papers than from any other kind of advertising we have done, writes one of the Mirror's advertisers.

One of the leading articles in the 'Lone McCall' is by a Mansfield writer, Mrs. A. J. Wilder, whose articles have appeared in publications quoted extensively. We have remarked before, and we remark again, that we believe no other city its size in the United States has been or is the home of so many talented writers of national reputation as the Gem City of the Ozarks.

Teething babies always have a hard time of it when the process occurs in hot weather. They not only have to contend with painful gums out the stomach is disordered, bowels loose and the body uncomfortable. The best help you can give the little sufferer is McGEHEE'S BABY FLIXIR. It corrects sour stomach, cools and eases the bowels and helps digestion. Sold by all dealers.—adv.

Will F. Candler, who was in France several months with the 12th Engineers, and stationed most of the time at Bordeaux, has arrived from overseas, and is spending a ten-day furlough with home folks and friends. He will be discharged from Jefferson Barracks—Mtn. Grove Journal

Wright county is going after good roads in earnest. Our county has been awarded six government trucks for road work, and one of these will be used in the Mansfield special road district under the charge of the commissioners of the Ozark Scenic Highway.

Booze Causes Trouble

Sheriff C. G. Sanders of Hartville was here this week. Last week at Mountain Grove John Sherrill was arrested. John had been to Springfield returning with 12 quarts of whisky, and is wanted for bootlegging. Another prisoner at Hartville is John Ellis of Dawson, who created a disturbance there while intoxicated. Monday night Dutch Melton severely assaulted Peter Depew, one of Mountain Grove's oldest and best respected citizens, probably because he thought Mr. Depew had informed the officers of Dutch's bootlegging, and now Dutch is in bad again. Whisky is the cause of most of Sheriff Sanders' troubles, he having taken about 100 gallons from bootleggers during his term of office.

Woman's friend is a Large Trial Bottle of Sanol Prescription. Fine for blackheads, eczema and all rough skin and clear complexion. A real skin tonic. Get a 50c trial bottle at the drug store.—adv.

H. D. Norcross left here a few years ago leaving a number of unpaid bills. This week he is hunting up all his creditors and paying in full all bills against him. He left here without money, couldn't pay what he owed. He made and saved money—enough to square all accounts and have money left. He's an honest man—and it is said that an honest man is the noblest work of God.

When you have Backache the liver or kidneys are sure to be out of gear. Try Sanol, it does wonders for the liver, kidneys and bladder. A trial 50c bottle will convince you. Get it at the drug store.—adv.

Rev. T. B. Ritzinger's and W. B. Fullington and wife attended the Memorial program and homecoming for the boys at Antioch Friday. A fine program was given, splendid addresses were delivered by Rev. John Killian of Marshfield and Hon. J. Lon Dennis of Mansfield, a big basket dinner was served, and a fine time in general was had by the large crowd present.

Do you get up at night? Sanol is surely the best for all kidney or bladder troubles. Sanol gives relief in 24 hours from all backache and bladder trouble. Sanol is a guaranteed remedy. 50c and \$1.00 a bottle at the drug store. adv.

Cut Out and Save No. 4

Don't Nurse Your Baby Every Time He Cries

Try to Nurse Your Baby All Summer

Ten bottle-fed babies die to one that is breast-fed. Even part Mother's milk may save his life.

Nurse your baby at regular times—6 a. m.—9 a. m.—12 noon—3 p. m.—6 p. m.—11 p. m.

Never nurse often than every three hours during the day and four hours at night, or you dump new food on top of partly digested food, and soon baby is upset. It takes mother's milk nearly three hours to digest. It takes cow's milk over three hours to digest.

The three months colic is mostly due to over-feeding. The poor baby cries and the mother feeds him.

The more baby is fed, the more baby has to cry.

After three months, nurse baby every four hours—6 a. m.—10 a. m.—2 p. m.—6 p. m.—10 p. m. The last feeding should be between 10 and 11 p. m., and nothing more until morning, at 6 o'clock.

Baby's stomach needs a rest.

If not fed, he'll soon learn to sleep all night.

If mother has no milk, cow's milk is the only good substitute. Condensed milk has only 8 per cent fat, 55 per cent sugar, and 25 per cent water. Practically a sugar solution with 9 per cent fat.

Your baby may get fat but he won't get strong. It takes a strong baby to live through a sick spell.

He must have cow's milk to build bone and muscle, and make him strong.

BOIL ALL MILK (and chill quickly) ALL HOT MONTHS.

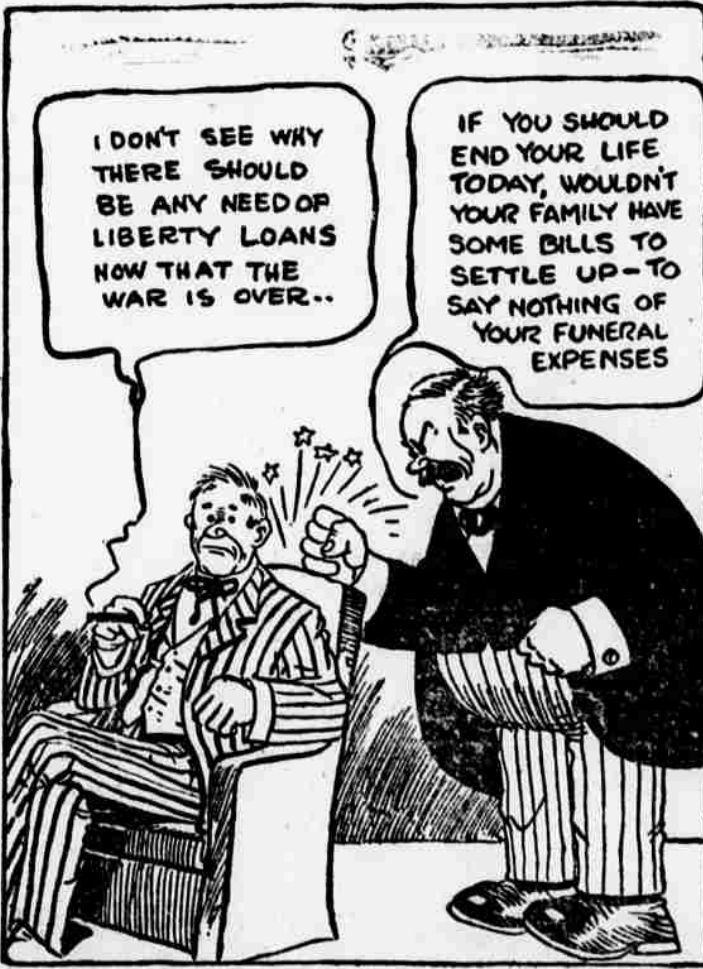

All milk should be kept on ice.

Compiled under direction Children's Bureau U. S. Department of Labor. Missouri Woman's Committee, Council of National Defense.
